FEATURE DETAILS 1

Throughout the week you will be taught by professional creatives (DBS checked) who will share their music, art and dance knowledge so you can create your own and team based projects. It is full of fun and in one of the most safe and creative environments in Taunton.

CREDITS 4 COLLEGE

You will have the opportunity to work towards a Level 2 Social Enterprise Qualifcation (SEQ) by creating your own social enterprise idea on paper. This recognised qualification credit can be used for college and further education applications. Extra fee applies.
